YOUR WORLD**

# What Sets Us Apart

ICW Group is new to the Liability and Property markets, therefore we aren't burdened by legacy claims. We offer fewer restrictions on our limitations, accept industries that other carriers are leaving, and have the flexibility to assess each submission for both risk and opportunity.

Our underwriters and risk management teams are entirely in-house, allowing us more control over risk and a better insurance experience.

# What to Expect

- A nationwide company with admitted paper and an A.M. Best financial rating strength of "A" (Excellent)
- Fast, flexible underwriting with the ability to tailor unique coverages to meet the changing needs of insureds
- 24-hour response time on acknowledging receipt of all submissions
- Fast endorsement
- Processing competitive rates
- Access to award-winning Risk Management Consultants for on-site risk valuation
- Proactive, accessible in-house claims service

# Our Lines of Business

# ICW Group: At-A-Glance

ICW Group is a national, top-tier, multi-line insurer quoting over \$3 billion annually. Our success is driven first and foremost by our people, who strive to create the best insurance experience possible for our customers, our community and each other. Combined with an A.M. Best "A" rating, award winning services, and a premier network of independent agents and brokers, we've been helping our policyholders protect their most valued assets for over 50 years.

To better serve our General Liability, Property, Capital Asset and Workers' Compensation customers, ICW Group offers specialized in-house risk prevention expertise, proactive claims management, and highly flexible payment options.

At the heart of everything we do is the belief that progress happens when people feel secure. With headquarters in San Diego, California, our Team Members span the country, working hard every day to ensure our customers have a better today and a safer tomorrow. Through our partnership with you, we look forward to offering the same to your clients.
