By signing, I agree to these terms: 1. Allow up to 20 days for set-up, changes, or termination of electronic payment authorization to ensure time before your next payment. 2. ICW Group is authorized to initiate scheduled deductions from the bank account or charge the credit card identified on this form for payment of premium on the insurance policy issued to me and any renewal policies and the financial institution or credit card company identified by the routing number or credit card number on this form is authorized to accept and post entries to the applicable account. 3. I represent that I am the owner and/or an authorized signer of the account, and that the electronic payments will be honored by my financial institution or credit card company. 4. This authorization allows ICW Group to adjust the scheduled deductions or charges to reflect any premium changes to my policy. ICW Group agrees that it shall notify me in writing 7-10 days prior to making any deduction if there is a premium or due date change for installment plan payments. Although payment will typically be withdrawn/charged on the applicable invoice due date please allow a few days for processing of the charge or withdrawal from your account. 5. ICW Group will not send me a bill before scheduled deductions or charges are made for interim audit payments, and it is my responsibility to ensure sufficient funds are in the account at the time of each scheduled deduction/charge. My policy may cancel or expire if there are insufficient funds in the account, which could cancel this agreement and remove my policy from electronic payments. 6. This authorization will remain in full force and effect until ICW Group receives a written request from me to cancel my electronic payment authorization or until ICW Group elects to cancel this agreement; provided that I may also modify or cancel the automatic electronic payments at myresource.icwgroup.com.
