

Safety OnDemand®—Your Source for Workplace Safety

INSTANT ACCESS TO THOUSANDS OF SAFETY RESOURCES

Enjoy this comprehensive online safety resource and learning management system offered exclusively to ICW Group policyholders. Now available in myResource, Safety OnDemand engages your employees in safe practices, up-to-date safety skills and helps stop injuries before they happen.

TURN-KEY SOLUTION FOR YOUR SAFETY CULTURE

Growing your culture of safety is paramount to building your business. Having great resources at your fingertips takes the burden out of competing priorities. Ready to apply immediately, Safety OnDemand provides topics, materials, prepackaged tailgate meetings and SCORM-compliant courseware.

Robust learning management system with expansive catalog

24/7 access from anywhere, anytime, and on any device

5,000+ safety topics and videos, many 10 minutes or less

OSHA-Compliant Program Templates for custom 'plug & play' safety plans

WHY ASK FOR SAFETY WHEN YOU CAN DEMAND IT!

Don't wait another day to start enjoying the benefits of Safety OnDemand. Log into myResource and start using Safety OnDemand today.
